The above prices include all activities listed in the project description, e.g. market report, information meeting, listing in the OTD exhibitor catalogue, registration at www.offshore-denmark.com, fully furnished stand, preparation assistance, administration etc.

Reservations:

Danish service personnel will be present at the stand.

Prices in column B and C are conditioned by an approval of subsidy from the Export Council.

Subsidy from the Export Council has been applied for.

Subsidy, if granted, will be paid out after report and accounts are approved by the Export Council.

Terms and conditions may be subject to changes. Klarup, November 14, 2018.
