

Company of the Month

- get promoted on the front of the website for free

All members of DMOG are offered 1 month free entry as Company of the Month on the front page of www.offshore-denmark.com. Your logo will be published on the front page together with an appetizer linking to a page with text and pictures about your company.

Please see the guidelines below and contact us if you want to become Company of the Month.

GUIDELINES FOR BEING COMPANY OF THE MONTH

The company itself has to deliver material ready to be published as mentioned below:

1. OPENING TEXT FOR THE FRONT PAGE OF THE WEBSITE

"Appetizer" in English of max 50 words – must as a minimum contain one piece of news; a short introduction explaining why the company is promoting itself right now. E.g. product news, new premises, new markets, anniversary etc.

2. TEXT & PHOTOS FOR THE SUB PAGE

English text of max 350 words.

The introductory part of the text is to be an extension of the appetizer on the front page. Subsequently you can mention the company in general. The text must be sales promoting; that is, leave out any technical words, abbreviations and explanations if possible.

In closing remember to state all company data:

- Address
- Telephone and fax
- Company e-mail
- Web address
- Contact person, if possible

You are to forward the company logo and 2 photos in jpeg format.

In order for the website to maintain a certain professional level, the forwarded text must be in correct English without serious grammatical mistakes. If needed, TofKo will translate/edit text from Danish into English as per account rendered.

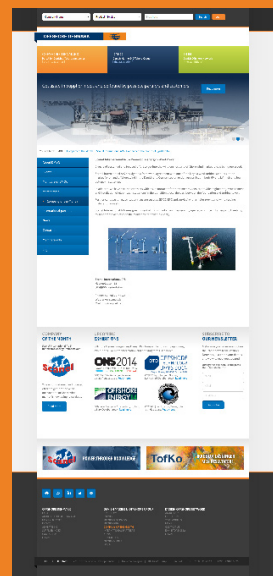

Note: It is of the utmost importance that the company has the right to use the forwarded photos. Danish Marine & Offshore Group renounces all responsibility in regards to violation of the copyright. Therefore, we ask that you together with the photos send a statement declaring that the company is allowed to use the photos.

Send to us:

- "Appetizer" - English text of 50 words (point 1)
- English text of max. 350 words (point 2)
- 2 photos in jpeg format (point 2)
- Logo in eps or ai format (point 2)

TofKo reserves the right to edit the forwarded text.

Please send the material to: dmog@offshore-denmark.dk
