The above prices include all activities listed in the project description, e.g. market report, information meeting, listing in the OE exhibitor catalogue, fully furnished stand as well as Danish service personnel and coffee/tea. Extra charge to be listed in the Danish joint catalogue. Poster space, P1 and P2, are subject to special conditions.

We have applied for subsidies from the The Trade Council for the joint export drive. Unfortunately we had no approval of subsidy. Terms and conditions may be subject to changes. Klarup, 22 May 2015.
